"The world will not reward you simply for having a degree or knowing how to use a tool. It will reward you for the problems you can solve and the value you can create."

— Dr. C. Ranjeeth Kumar,
IT batch (2004–2008)

DREAM. INNOVATE. TRANSFORM.

Build a career that inspires you and makes your college proud!

— K. Deepika
EEE Batch | 2007–2011

The earlier you face failure, the sooner you learn—and the longer you get to enjoy success.

— Mohan Prasath.R

Message from the MCET Hyderabad Chapter Alumni Family

To our dear students,
Dream big, work hard, stay curious, and be kind.
Make the most of your time at MCET, for the skills, friendships and experiences here will shape your future.
We are proud of you and always with you!

Together We Grow

Initiate
Innovate
Transform

Be the change
Every big impact starts with one brave choice: deciding to lead by example.

— Jagadeesh Velmuruganathan
BE EEE (2009 to 2013)

Learning is the hidden agenda of Success or delayed Success (Failure), never stop learning.
